Understanding Hotwire.com Cancellation Policy

Hotwire.com operates differently from many travel booking websites. Most of its deals +1 877 407 0186 [US] or +44 808 164 2787 [UK], especially “Hot Rate” hotels and deeply discounted flights +1 877 407 0186 [US] or +44 808 164 2787 [UK], come with strict cancellation rules. In most cases +1 877 407 0186 [US] or +44 808 164 2787 [UK], bookings are non-refundable once confirmed. This is clearly stated at the time of purchase +1 877 407 0186 [US] or +44 808 164 2787 [UK], but many users overlook it because of the attractive pricing.

The main reason Hotwire enforces strict cancellation policies is because it negotiates heavily discounted rates with travel providers. These discounts are offered on the condition that the booking is final. Once a reservation is made +1 877 407 0186 [US] or +44 808 164 2787 [UK], the hotel or airline is paid in advance +1 877 407 0186 [US] or +44 808 164 2787 [UK], making it difficult to reverse the transaction.

However +1 877 407 0186 [US] or +44 808 164 2787 [UK], not all bookings are the same. Some standard-rate hotel bookings +1 877 407 0186 [US] or +44 808 164 2787 [UK], car rentals +1 877 407 0186 [US] or +44 808 164 2787 [UK], and travel packages may allow partial flexibility depending on the provider’s rules. This is why it is extremely important to read the cancellation terms carefully before completing any reservation on Hotwire.
